WORK SESSION

Extend the pheasant season by two weeks in January

Require two tags for ungulate species (one for head/antlers/horns and second for carcass)

Require mandatory reporting of previous years hunting and fishing harvest before purchasing licenses for the next year

Open all WMAs for antler gathering at the same time during daylight hours

Require hunters to choose between archery and rifle hunting.

Issue a cow elk tag along with bull elk tag in special permit areas to encourage more taking of cows

Commission Tour of the Miles City Hatchery to follow the work session
